

CITY OF INGLESIDE

Town Hall Meeting – Hurricane Harvey

Monday, January 29, 2018

Primary School 2100 Achievement Blvd.

6:30 p.m.

The City of Ingleside has been significantly impacted by Hurricane Harvey. Working through the issues associated with the storm as well as the opportunities and challenges for recovery have been ongoing for five months and still, a lot of work remains to be done.

In an effort to provide a forum for residents and businesses, the City of Ingleside, in collaboration with the Ingleside Chamber of Commerce, have invited representatives from several agencies to an Ingleside Town Hall. This Town Hall Meeting provides the opportunity for residents to hear directly from FEMA, Rebuild Texas, Texas Department of Insurance and Texas Wind Storm and to answer issues and address concerns.
